

KAHANA — our attempt to help re-store some of Hawaii's traditional grace. The 88 spacious apartments are well designed with functional and practical floor plans geared to an easy traffic pattern, with a dish washer in all units and laundry facilities on the ground floor.

The apartment site is level and at an elevation of approximately eight feet above sea level. The beach area has a fine, gentle slope, and the golden sand is up to 90 feet wide. The sheltered off-shore waters are calm and serene. The location and elevation of the apartments provide excellent ocean view of the neighboring Islands of Molokai and Lanai. KAHANA REEF, living at its finest, the finest for living . . .
