

Kahana Reef ... your place in paradise

Relax in comfort at the edge of one of the most inviting oceans. Add magnificent views and easy access to all that Maui has to offer and the Kahana Reef is your perfect Hawaiian home.

Each and every apartment is oceanfront with year-round views of sunsets, rainbows, off-shore islands, sand and sea. Whales can even be spotted, in season, frolicking in the ocean from your lanai.

Elevators provide access to the Polynesian-style apartments which are completely furnished in a happy blend of comfort and convenience. Living rooms open to a private lanai with a sweeping panorama that embraces the neighbor Islands of Moloka'i and Lana'i. For your comfort you will discover color television, a telephone and fully equipped kitchen including dishwasher, as well as daily maid service (except Sundays and major holidays). Built-in gas barbecues can be found on the grounds fronting the ocean for those who enjoy the taste of outdoors.

For the curious and adventuresome, Kahana Reef is conveniently located seven miles from historic Lahaina, ancient capitol of the Hawaiian kingdom and center of the old whaling industry. And closer still are the world-famed Kaanapali and Kapalua resorts with their challenging golf courses, tennis facilities, unique shops and restaurants.

Make Kahana Reef your base and all the extravagant beauties of Maui are yours to enjoy. Haleakala and its mooncape crater, the old Hawaii of heavenly Hana and the seven seas, pools, hidden coves, rain forests and waterfalls to name a few.

So join us at Kahana Reef...
